

Gold Party New England

How it works...

Think of it as a “reverse party” where you come to make money, not spend it!

Bring any color unwanted gold, silver, or platinum, and Gold Party New England will be there to test, weigh and quote you an amount. If you decide to sell, we’ll hand you a check on the spot!

Can’t make the party? Drop off your jewelry prior to the party and we will call you with an amount!

Already sold? Think you don’t have any gold? Check with the other women close to you... mom, grandmother, aunt, in-laws, daughter, girlfriends... if they don’t attend the party, we can call them with an amount!

Never any pressure to sell if you are not happy with the quote!

*You are Invited to a
Special Fundraiser!*
